Americana Series Guitars

TAYLOR YORK - PARAMORE

CORONADO II

The Coronado II is a reproduction of the two-pickup, wide-body Supro electric guitar that was first manufactured in the early 1960s. The Coronado II reissue mates a chambered body with a newly-developed, composite "Acousti-glass" top. This updated construction preserves the instrument's signature aesthetics and timeless sound while improving its semi-hollow acoustic resonance and tuning stability.

SKU: 1582JB2 MAP: \$749.00

WHITE HOLIDAY

The White Holiday is a reproduction of the piezo- and vibrato bar-equipped fiberglass Supro electric guitar that was first manufactured in Chicago during the early 1960s. The White Holiday reissue mates a chambered body with a newly developed, composite "Acousti-glass" top. This updated construction preserves the instrument's Art Deco aesthetics and signature blend of piezo and magnetic pickups, while improving its semi-hollow acoustic resonance and tuning stability.

SKU: 1571VDW2 MAP: \$699.00

BELMONT VIBRATO

The Belmont Vibrato is a reproduction of the piezo- and vibrato bar-equipped fiberglass Supro electric guitar that was first manufactured in Chicago during the early 1960s. The Belmont Vibrato reissue mates a chambered body with a newly developed, composite "Acousti-glass" top. This updated construction preserves the instrument's Art Deco aesthetics and signature blend of piezo and magnetic pickups, while improving its semi-hollow acoustic resonance and tuning stability.
